The **Canadian Literature Centre** and the **Sound Studies Initiative** are teaming up with **Edmonton Opera** to explore the story and sounds of a new Canadian opera headed to Edmonton this October!

Join us for ***Lilies Day*** at U of A's North Campus. First, the CLC hosts Québécois librettist and playwright **Michel Marc Bouchard** for a reading of his work at noon. Then at 2:00 PM, join composer **Kevin March** and U of A's **Dr. Julia Byl** for an interactive listening session exploring the multiple musical inspirations behind the opera score!
